Subject: February Report

I continue to be thankful for your friendship, both to me, and to my people. We have much to learn about the Outside world, and I know that with your help, we will learn it.

I worry about my agents, **IA** and **RP**. Both seem to be delving deeper into mirror corruption. Their mandatory small talk has been increasingly referential. I understand that I am abnormally good at communicating via letters, but I did not expect them to get worse even with Novel Input. Your help with Jaimie may be the only thing that can save us...

Appreciation is expressed at your role in this exchange).
